"Sunquest" is a very comfortable family cruiser. She is a shoal draft version with a huge cockpit and a 3 cabin layout below decks offering both a private cabin forward and aft. Amenities include electric refrigeration, hot and cold pressure water a gas stove with oven, Bimini and a Genoa furler.

The Catalina 34 has established an enviable reputation as a fast, stiff, and sturdily built cruising yacht. A great light-air performer with commodious accommodations for cruisers, the C34 is designed for coastal cruising--but that hasn't stopped several C34s from crossing oceans.
