## Sails and Canvas

- Mainsail
- Mainsail Cover
- Reacher Drifter
- 150 Genoa
- Working Jib
- Storm Jib
- Cockpit Cushions

## Overview

This is a stable family boat that is well suited for weekending. Owner has kept her simple and looks for reliability over gadgetry. The Yanmar diesel starts easily and pushes the boat to hull speed. There is a good selection of cruising sails that are hank on and offers sizes for different wind conditions. The cockpit was designed for a tiller and maximizes the space available and sailing sensitivity found in a tiller steerer. Control lines are thoughtfully placed for short handed sailing.

## Accommodations

Great combination of teak and fibreglass below. Has the look and feel of a real sailboat. Headroom is generous from the main cabin to the V-berth. Private head is very popular in this size range as is the wide open main cabin with a fold up dining table, complete galley and berths for 5.
