Thrilled Again

Introduced in 1986, the Catalina 34 is a blend of comfort, value, and performance. As you go below, you'll find the L-shaped galley to starboard, featuring a 3-burner CNG stove, double stainless steel sink, Adler-Barbour refrigeration, and hot and cold water. There is plenty of storage, a glass racks, spice rack, and other amenities.

On port, you'll find a Euro-styled head with shower. Forward of the head is a wet locker. Further forward on port is the Nav station and port settee. Opposite this on starboard is the U-shaped settee and dinette table.

A teak and holly sole "warms" the interior. The forward cabin features a large V- berth, bureau, and hanging locker. The aft cabin is accessed on the starboard side of the companionway. It features a very large double berth, aft hanging locker, and seat on starboard.

This boat was fitted out by a knowledgeable electrical engineer whom spared no expense to optimize these boats systems.
