Draft: 6'6

Ballast: 4350

Engines

Engine(s): Yanmar

Engine(s) HP: 27

Engine Model: 3GMF

Accommodations

The magic of the C&C 35 included an interior that was as nice as any cruising sailboat of comparable length. The forward cabin has a 6'4" V-berth and vanity w/ drawers, cabinets & shelves. Storage above V-Berth to Port and Starboard. Aft there is an enclosed head to port w/ shower and a hanging locker to starboard. Then to Port, a U-Shaped dinette that converts to a double. To Starboard, is a settee berth with the 25-gallon water tank underneath. There is storage behind and underneath the berths. Aft to port is a galley with a 3 burner gimbaled propane stove with oven. Double stainless

steel sinks, hot & cold pressure water. A large sit down Nav station is to starboard with a quarter berth. Adequate drawers and lockers are throughout the interior. The boat was delivered new with optional teak "ceilings" along the interior hull sides in all 3 cabins. The dining table was also custom built with a hinge allowing seating from the starboard settee.

Galley
